

CREATIVE PROJECT: WHAT DOES SOCIAL JUSTICE MEAN TO YOU?

Activity: Create a visual interpretation that depicts your personal definition of social justice.

1. What does social justice mean to you?
 2. How is social justice a part of your life?
 3. What issue is most important to you?
-

Learning Outcomes Addressed:

- ✓ Conduct a self-assessment of students own attitudes and behaviours related to social justice
- ✓ Demonstrate attributes and behaviours that promote social justice
- ✓ Demonstrate an understanding of social justice and related concepts

Communication:

- 5--Excellent structure and organization, very clear, no grammatical errors
- 4--Very good structure and organization, very clear, few grammatical errors
- 3--Good structure and organization, clear, some grammatical errors
- 2--Poor structure and organization, lacks clarity, many grammatical errors
- 1--Very poor structure and organization, lacks clarity, very many grammatical errors

Meaning

- 5--Student's deep reflection provides a strong foundation for her articulation of the meaning of social justice and social justice issues.
- 4--Student demonstrates a good reflection in the development and articulation of the meaning of social justice and social justice issues.
- 3--Student demonstrates some reflection in the development and articulation of the meaning of social justice and social justice issues.
- 2/1--Student does not provide evidence of reflection in the development and articulation of the meaning of social justice and social justice issues.

Visual

- 5--Visual and written details clearly support, explain, and extend the students definition and understanding of social justice
- 4--Visual and written details support, explain, and extend the students definition and understanding of social justice
- 3-- Visual and written details attempt to support, explain, and extend the students definition and understanding of social justice but may not always be clear
- 2-- Visual and written details do not fully support, explain, and extend the students definition and understanding of social justice. They are mostly unclear.
- 1-- Visual and written details do not support, explain, and extend the students definition and understanding of social justice. They are not clear.
