

## VISUAL METAPHOR RUBRIC: "STILL I RISE"

**Activity:** Create a **visual metaphor** that represents your conclusions about the imagery and its meaning. This image may be a single picture, a collage of images, a word or words presented in some meaningful way, or--well, I will leave the "or" up to your creative self.

### Representation

10-- Metaphor precisely parallels the student's conclusions about the imagery and its meanings from the poem.

5- Metaphor somewhat parallels the student's conclusions about the imagery and its meanings from the poem (limited connection to writing).
